REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The McCarthy Teszler family has experienced a year of memorable firsts. For the first time in this school's history, we participated in the district wide AdvancED accreditation process. A nine member faculty leadership team has been formed to oversee implementation of the plan to address achievement, school climate and quality. Our first Student Council representatives were also elected.

A major task that is currently ongoing is curriculum development in the four core academic areas of language arts, math, science, and social studies. We will soon develop a curriculum for social skills and self help skills. Teachers will use this document to guide instruction and practice.

Parent and community involvement continues to be a priority, and we provided numerous training sessions and tours to groups such as Leadership Spartanburg, Leadership South Carolina, Spartanburg County School District Leaders, and legislators. We were the host sight for the annual DDSN Legislative Luncheon which resulted in an invitation to address the state Ways and Means Subcommittee regarding proposed budgetary cuts affecting individuals with special needs. McCarthy Teszler also champions the causes of Relay for Life, United Way, Multiple Sclerosis Society, and the Josey Bearden Breast Cancer Center.

Our chorus performed at off campus venues, and two of our students participated in Spartanburg Sings sponsored by the Spartanburg Rotary Club. We have the current South Carolina Special Olympics Coach of the Year and also added another National Board Certified Teacher. Other teachers received grants, and another will present at conferences on the topic of adaptive physical education. We celebrated the Grand Opening of Phase I of our Outdoor Natural Learning, Play, and Sensory Area. Phase II is currently under construction and will serve the Vocational students. We continue to "Soar to New Heights" at McCarthy Teszler and anticipate future successes for our students and our school.
